## Merck Recognized With Interphex Exhibitor Award For Best News Product

Darmstadt, Germany:- **Merck Phone: 011- 64678682** announced that it has won an INTERPHEX Exhibitor Award for a new innovation in advancing next-generation bioprocessing. Merck's Pellicon® Capsule with Ultracel® Membrane has

been recognized for Best New Product. "This recognition is for an innovation that enables biomanufacturers to realize the benefits of process intensification throughout the entire bio-process," said Andrew Bulpin, head of Process Solutions, Life Science, at Merck. "We will continue to revolutionize drug manufacturing with solutions that set the standard for improvements in process efficiency, simplified plant operations and consistency in manufacturing." Merck's Pellicon® Capsule with Ultracel® Membrane is the first-of-its-kind single-use tangential flow filtra-

tion capsule for bioprocessing of antibody-drug conjugates and monoclonal antibodies. The capsule reduces the risk of product cross-contamination, as well as exposure to highly toxic compounds during both processing and disassembly. The self-contained design is ideal for the safe and easy removal of the entire single-use TFF flow path immediately after product recovery, optimizing product changeover efficiency and saving time. The device requires no cleaning validation requirements, thereby reducing its footprint in the manufacturing environment which ultimately leads to increased plant productivity and process flexibility with the added benefit of reduced contamination risks. Merck works with drug manufacturers to help bring life-enhancing drug therapies to market, faster. Our innovative technologies improve productivity, lower risks, reduce costs and ensure drug safety.

## Gilead Announces New Grant Programs Supporting Investigator-Sponsored Research in Liver Diseases

FOSTER CITY, Calif:- **Gilead Sciences, Inc. Phone: +1 650-5743000** announced the launch of five new global grants programs to continue to support investigator-

sponsored research in chronic hepatitis C virus (HCV) and hepatitis B virus (HBV), HCV and HIV co-infection, nonalcoholic steatohepatitis (NASH) and primary sclerosing cholangitis (PSC). The programs will accept applications from around the world for projects that seek to address pressing unmet patient needs in liver disease, including improving screening and linkage to care, simplifying HCV testing and treatment, developing innovative referral pathways to help patients with NASH access care, addressing gaps in HBV care for special populations and understanding PSC epidemiology. "It takes more than medicine alone to improve the lives of people living with liver diseases. In HCV, understanding optimal ways to simplify testing and treatment is critical to reaching diverse populations living with the disease. People living with NASH need to access earlier diagnoses and clearer referral pathways to help them access care," said Bill Guyer, Senior Vice President, Head of Medical Affairs, Gilead Sciences. "Gilead is proud to support investigator-sponsored research areas across liver diseases, which we believe can help broaden understanding of how to manage these diseases and help patients be appropriately linked to care." The new grant programs are: • **HCV STAT (Simplification and Test and Treat Strategies toward HCV Elimination):-** This program will fund approximately fifteen projects with a total commitment of US \$10M focused on simplifying HCV care delivery and implementing test and treat strategies to overcome barriers to patient care. Applications will be accepted from April 11 to June 30, 2019. STAT is the latest addition to the LEGA-C platform, "Local Elimination Programs Leading to Global Action in HCV" and includes the

## Lupin Receives Tentative U.S. FDA Approval For Fosaprepitant For Injection

Mumbai:- Pharma major **Lupin Limited (Lupin) Mob:- 09219177868, 09927029392, 09410673331, 09528643610** announced that it has received tentative approval for its Fosaprepitant for Injection, 150 mg Single-Dose Vial, from the United States Food and Drug Administration (FDA) to market a generic version of Emend for Injection, 150 mg Single-Dose Vial, of Merck Sharp & Dohme Corp. (Merck). Lupin's Fosaprepitant for Injection, 150 mg Single-Dose Vial, is the generic version of Merck's Emend for Injection, 150 mg Single-Dose Vial. It is indicated for adults in combination with other antiemetic agents, for the prevention of: • acute and delayed nausea and vomiting associated with initial and repeat courses of highly emetogenic cancer chemotherapy (HEC) including high-dose cisplatin. • delayed nausea and vomiting associated with initial and repeat courses of moderately emetogenic cancer chemotherapy (MEC). Fosaprepitant for Injection, 150 mg Single-Dose Vial, had annual sales of approximately USD 312 million in the US (IQVIA MAT March 2019).

fund approximately six projects with a total commitment of US \$1M focused on improving linkage to care among underserved population and analyzing epidemiology in specific demographics or geographies. Applications will be accepted from August 1 to September 15, 2019. • **PSC PACE (PrimARy Sclerosing Cholangitis Epidemiology):-** This program will fund up to five projects with a total commitment of US\$1M focused on identifying gaps in PSC epidemiology data and improving understanding of the cascade of care. Applications will be accepted from September 16 to October 11, 2019.

### अवसर

मानव जन्म, को पाया.  
फिर क्यों, दुखों की छाया.

### वक्त

समय से मित्रता बढ़ाईए.  
हर क्षण, उपयोग में लाईए.

### यादें

पुराने एलबम ने, यादों को लौटाया.  
कुछ ने हंसाया, कुछ ने रूलाया.

### पर्स

धीरे-धीरे, भर पाना.  
जल्दी-जल्दी, खाली हो जाना.

### साथ-साथ

संयुक्त परिवार में, कुछ भड़क पाएंगे.  
मुसीबत आने पर, एक हो जाएंगे.

### 50 पार महसूस होती है पिता की कमी.....

कहा जाता है कि पिता आकाश है, माँ धरती है, पर बेटा पिता को भुला देता है. हॉस्टल में रहने वाले छात्र माँ को पत्र लिखते हैं. तो पिता के लिये एक कोने में कुछ लाइनें लिख देते हैं. पिता के लिये उनके दिल में बस इतनी ही जगह बची होती है. जो पिता ईश्वर को नहीं मानते, वे भी अपने बच्चों की सफलता के लिये मन ही मन मनोत्रियाँ माँगते रहते हैं. बेटा बड़ा होकर जब पहली बार नौकरी करने दूसरे शहर जाता है, तब बाहर से निश्चित दिखाई देने के बावजूद पिता भीतर ही भीतर उदास हो जाते हैं वह बाहर हँसते हैं परन्तु अन्दर से रो रहे होते हैं? न सिने में दिल होता है. बरसों बाद मिलने पर पिता बेटे को सीने से लगाकर निहाल हो जाते हैं परन्तु जीवन की इस भागदौड़ में पिता धीरे-धीरे लडखडाने लगते हैं. जब बेटा पांच साल का होता है कि उसके पिता दुनिया के सबसे स्मार्ट और ताकतवर इंसान हैं. 10 वर्ष की उम्र में लगता है कि वे हर चीज का ज्ञान रखते हैं और कितने समझदार हैं पर किशोर व म उसे पहली बार महसूस हुआ कि उसके दोस्तों के पिता तो उसके पिता से भी ज्यादा समझदार हैं. 20 साल का होने पर पाता है कि नये जमाने के साथ चलने के लिये उसके पिता को कुछ और ज्ञान की जरूरत है, 25 साल की उम्र वह सोच बनने लगती है कि पिता जी पुराने जमाने के हैं और वे इस नाये दौर में चल नहीं सकते, फिर यह भी महसूस होने लगता है कि किसी काम में उनसे सलाह लेनी भी मुश्किल है. क्योंकि उन्हें हर काम में नुक्स निकालने की आदत सी पड़ गयी है. जब उम्र 35-40 होती है और बच्चे बड़े होने लगते हैं तो सोच फिर उल्टी दिशा में लौटती है. ऐसा लगता है कि कुछ बातों में उनसे सलाह ली जा सकती है और 50 के पड़ाव पर आकर लगता है कि 15 साल की उम्र में बनी धारणाएँ गलत थी पिता जी की सलाह के बिना तो कुछ नहीं करना चाहिये, क्योंकि तब तक अपने बच्चे बड़े हो जाते हैं. अपने पापा से उसी तरह उपेक्षापूर्ण व्यावहार करने लगते हैं तब लोग अपने पिता की ओर लौटना तो चाहते हैं पर तब तक बहुत देर हो चुकी होती है.

**संस्कार**  
आज के टेंशन भरे युग को सुलझाने का तरीका है कि हम अपने स्वभाव में संस्कृति को लाएँ. हमारा स्वभाव न केवल हमें दुखी करता है, अपितु सबको दुखी करता है. यदि हम अपने स्वभाव में शालीनता ले आएं तो बहुत कुछ सुधार हो जाएगा. हम भी सुखी होंगे, और जग भी सुखी होगा.

**उम्मीद**  
सबसे अधिक दुख तब होता है जब हम किसी से कुछ उम्मीद रखते हैं और वह पूरा नहीं होता. सुखी होने का तरीका तो यही है कि हम किसी से कुछ भी उम्मीद न रखें. पुरानी कहावत 'नेकी कर और दरिया में डाल' बहुत सही है. सुख हेतु उम्मीद न रखना ही बेहतर है.

**विराम नहीं चाहिए**  
जीवन चलती कविता होनी चाहिए जिसमें विराम न हो. चलते रहना ही मायने रखती है. अर्ध विराम व पूर्ण विराम जीवन के बहाव में रूकावट लाते हैं. प्रश्न चिन्ह पर भी तुरन्त फ़ैसले होने चाहिए. रूकावटों पर रूक जाना जीवन की हार है. पराजयों को पीछे छोड़ आगे चलते रहना चाहिए.

**फिल्मी ज्ञान**  
संजीव कुमार की बतौर नायक, पहली हिन्दी फिल्म 1965 में 'निशान' आई थी जिसमें उनका डबल रोल था.

**फिल्मी ज्ञान**  
हिन्दी फिल्मों में खलनायक का रोल निभाने वाले रंजती का मूल नाम गोपाल था. सुनली दत्त ने नाम परिवर्तन की सलाह दी थी.

**अकेलापन**  
कईयों को, भाता जाता है. कईयों को, काटता आता है.

**बहुत**  
हर चीज, की अति.  
केवल सताती, कष्ट दे जाती.

### A.T.M. मशीन जैसी ही स्वास्थ्य परिक्षण A.T.M. मशीन का बुध

राजेन्द्र अग्रवाल  
मो० 09425220162

अब तक आप सिर्फ ऐसे निकालने के लिये एंटी-एम० जाते थे, मगर आने वाले दिनों में एंटी-एम० में आप अपना बांडी टेस्ट भी करा सकते हैं, जो हाँ हो सकता है आपको सुनन में थोड़ा अजीब लगे. मगर राजधानी दिल्ली में इसकी शुरुआत हो चुकी है. एन-डी-एम-सी० ने साउथ वेस्ट दिल्ली में पायलट प्रोजेक्ट के तौर पर पालिका केंद्र डिस्पेंसरी में इसकी शुरुआत कर दी है. जिला औषधि विक्रेता संघ बिलासपुर के पूर्व अध्यक्ष राजेन्द्र राजू अग्रवाल ने बताया कि अब स्वास्थ्य संबंधी जाँच के लिये लंबा तजार नहीं करना पड़ेगा, एंटी-एम० जैसी ये मशीन पाँच मिनट से भी कम समय में जाँच की रिपोर्ट आपको दे देगी. एन-डी-एम-सी० ऐसे ही हेल्थ एंटी-एम० दिल्ली में लगाने जा रही है. खास बात यह है यह जाँच मुफ्त की जायेगी. आमतौर में खून की जाँच के रिपोर्ट में दो से तीन दिन का समय लगता है. जिससे न सिर्फ ईलाज में देरी होती है. बल्कि बार-बार मरीजों को अस्पताल के भी चक्कर लगाने पड़ते हैं. इस समस्या को देखते हुये एन-डी-एम-सी० ने हेल्थ चेक एंटी-एम० लगाने की पहल कर दी है. कई विकसित देश जाँच के लिये इसका इस्तेमाल भी कर रहे हैं. इस मशीन के जरिये बी-एम-आई० से लेकर शुगर, ब्लडप्रेशर, मलेरिया, टायफाइड तक की जाँच की जा सकती है. फिलहाल ये मशीन पालिका केंद्र में लगाई गई है. इसकी सफलता को देखते हुये इसे दिल्ली के अलग-अलग अस्पतालों में लगाया जायेगा. हर एक मशीन के साथ एक पैरामैडिक स्टाफ होता है. जो मरीजों की जाँच में मदद करता है. इसे इस्तेमाल करना उतना ही आसान है जितना कि एक आम व्यक्ति के द्वारा एंटी-एम० को इस्तेमाल करना. इसमें मरीज को सबसे पहले अपना मोबाइल नम्बर डालना होता है. जिसके बाद मशीन खुद आगे की प्रक्रिया के लिये गाईड करती है. सैम्पल देने के बाद रिपोर्ट्स को एंटी-एम० की स्क्रीन पर भी देखा जा सकता है. साथ उसका प्रिंट भी निकाला जा सकता है. इससे ईजाल में तेजी की उम्मीद की जा रही है.

### ATTITUDE LEADS TO ALTITUDE NEW BOOK RELEASED

SYNOPSIS from T .K. THULSI BABU ATTITUDE leads to ALTITUDE NEW BOOK RELEASED by notionpress.com Amazon.in Flipcart.com Paperback - Rs. 340. I am T.K.THULSI BABU who had a long cherished desire since 10 years to write a book for medical sales professionals to guide the youth of pharmaceutical industry with tips, how to rise to the highest position of VICE-PRESIDENT - Marketing /DIRECTOR-Mktg. I thought of penning this book for sales/mktg professionals & entrepreneurs all about the profession right from the basics. But, I could not complete the book as I was busy training professionals till JULY,2017 even at 71 years of age as VICE-PRESIDENT-TRAINING in JUGGATPHARMA, BANGALORE. I started my career at a very young age of 20 years in 1966 in a MNC company, Nicholas labs, Mumbai as a medical representative. My motto is to never rest as long as you want to achieve something in life. Passion for excellence in whatever I do. My motto-- IF you start RESTING, you will start RUSTING. I had the pleasure of vast exposure in all departments like product management, sales management, training dept for 3 decades thereby I could train around 40000 med.reps and more than 10000 managers on soft skills. It was wonderful learning experience from smart questions asked by trainees during my training sessions. I have interacted with more than one lakh doctors in my 5 decades of service. Travelling in 20 states in India was a memorable rich gaining of knowledge about people, places, their habits and behaviour in different states. Attending medical conferences was another lovely, amazing and awesome interaction with most of the top doctors of our country. When I was felicitated with GLOBAL REX KARMAVEER CHAKRA AWARD from UNITED NATIONS on Nov. 26.2016 at GURGAON which is given only for those who do selfless service without any expectations for my contribution to the youth of India in PHARMACEUTICAL industry, I was elated to do something to make a difference. I have given an OVERVIEW OF INDIAN PHARMACEUTICAL INDUSTRY in 10 pages compiled by me after going through lot of leading magazines lik PHARMAPULSE/PHARMABIZ/PHARMAEXPRESS/PHARMALEADERS/INDIAN DRUGS & MANUFACTURERS ASSOCIATION=IDMA BULLETIN / EASTERN PHARMACIST / THE PHARMA REVIEW / PHARMA TIMES. HEALTHCARE INDUSTRY has created a revolution in INDIA. My 2 topics heading HAMAARA BHARAT MAHAAN -INDIAN REVOLUTION - PHARMACY OF THE WORLD BY 2020 will very much highlight the progress of our nation by leaps and bounds in healthcare industry standing tall in quality globally. My book is only to inspire the young sales and marketing professionals with golden tips on selling and excellent marketing tips to be crest above the rest, with personal and professional qualities required to become an Achiever in life as entrepreneur. In my book, in addition to Golden tips, I have also given lovely tips on Soft skills, Positive Attitude, Pearls of wisdom, Masterstrokes, Casket of jewels, Motivations, Inspirations, Inspiring thoughts, Lessons of life and Meditation to make every entrepreneur not only a super sales person but also as a good human being with righteousness which is much more important in business with ethics & values. My quotes written are all the best, compiled by me, after reading personally all the books that I have mentioned in Awesome books to be read by the youth of INDIA. You can kindly see the foreword written by most reputed veteran stalwart Cardiologist of Ethics and Values from BANGALORE, Dr.V.Parameshvara, pride of Indian Medical fraternity who has suggested my book for every entrepreneur and every sales professional in INDIA.

### Alarming Signs and Symptoms of Kidney Cancer

Cancer is a deadly disease which can affect any part of the body. Kidney is one of the essential organs in the human body. It performs some essential functions like waste excretion, water level balancing, acid regulation, blood pressure regulation and red blood cell regulation. Cancer can affect your kidneys as well. Kidney cancer is considered very dangerous. However, before the onset of cancer in the kidneys, the human body gives some indications. It is very important to identify these signs and symptoms at the right time. Kidney cancer can affect anyone but usually, people who drink alcohol or smoke are more prone to this form of cancer. **Lower back pain:-** Lower back is often considered normal but it is also a lesser known symptom of kidney cancer. Most people experience lower back pain after the complete progression of the disease. The pain is usually sharp which can cause a lot of discomforts. **Blood in the urine:-** Blood in urine is the first symptom of kidney related diseases. Blood in the urine can hint kidney cancer as well. Sometimes the quantity of the blood is so small that it can be detected by a urine test only. If you notice blood in your urine then you must visit your doctor in such a condition. **Anemia:-** The kidneys control the production of red blood cells as well. Kidney cancer can lead to decreased production of red blood cells. This condition leads to anemia. Due to anemia, you may also feel fatigued most of the time. **Unintentional weight loss:-** If you are losing weight without trying then it may indicate kidney cancer. As the tumor spreads you may feel less hungry. It will make you eat less which will result in weight loss. Poor kidney health will also promote weight loss. **Lump around your abdomen:-** A lump around the abdomen or near the kidney can be a sign of kidney cancer. The lump is usually hard in the early stage. Further tests can help the doctors to find the exact reason behind the lump. **Diagnosis of kidney cancer:-** First, the doctor will examine the common symptoms of kidney cancer. The doctor will ask you to go through certain tests like urine test, blood test, ultrasound, CT scan and MRI to examine further. In addition, the patient has to go through a biopsy which will provide accurate information about cancer, because in this investigation, a small tissue is removed from the kidney for investigation. **Treatment of kidney cancer:-** Kidney cancer is usually treated by radiation, chemotherapy and surgery. First, the doctors will determine the stage of the cancer. Later other parts near to the kidneys are examined to check the spread of cancer. After this process, the treatment starts. If you experience these symptoms then you must consult your doctor immediately. Early detection will help you control the progression of the cancer. Kidney cancer can affect the various major function of the human body. So, the development of the cancer should be controlled at the earliest.

**Zydus Receives Final Approval From The USFDA For Acetazolamide For Injection & Leflunomide Tablets USP**

Ahmedabad:- **Zydus Cadila Mob:- 09634005665, 09887223528** has received the final approval from the USFDA to market Acetazolamide for Injection USP (US RLD – Diamox for Injection), 500 mg per single-dose vial. It will be manufactured at the group's formulations manufacturing facility at Moraiya, Ahmedabad.

Acetazolamide is a potent carbonic anhydrase inhibitor, effective in the control of fluid secretion (e.g. some types of glaucoma), treatment of certain convulsive disorders (e.g. epilepsy) and promotion of diuresis in instances of abnormal fluid retention (e.g. cardiac edema). The group now has 262 approvals and has so far filed over 350 ANDAs since the commencement of the filing process in FY 2003-04. Zydus Cadila has received the final approval from the USFDA to market Leflunomide Tablets USP (US RLD – Arava Tablets), 10 mg and 20 mg. It will be manufactured at the group's formulations manufacturing facility at Baddi. This medication is used to treat rheumatoid arthritis, a condition affecting multiple small and large joints of the body. Leflunomide belongs to a class of medications called disease-modifying antirheumatic drugs (DMARDs). It helps to reduce the joint damage/pain/swelling and helps in better joint movement." The group now has 263 approvals and has so far filed over 350 ANDAs since the commencement of the filing process in FY 2003-04.
